

## Climate Change Reconsidered *A joint meeting update of SEPP and VA-SEEE*

Join us at Virginia Commonwealth University on  
Saturday, October 22 from 11:00 AM to 1:00 PM  
for a joint meeting of  
*The Science & Environmental Policy Project (SEPP) and  
Virginia Scientists & Engineers for Energy & Environment (VA-SEEE).*

**Special Guest Speakers**  
***Dr. Fred Singer***  
***Mr. Kenneth Haapala***  
***Dr. Charles Battig***

### DETAILS

**WHEN:** Saturday, October 22 from 11:00 AM to 1:00 PM  
**WHERE:** The Commons Theater in the VCU Student Commons, 907 Floyd Ave, Richmond, VA  
Student Commons: [http://www.usca.vcu.edu/facilities/student\\_commons.html](http://www.usca.vcu.edu/facilities/student_commons.html)  
**DIRECTIONS:** <http://www.usca.vcu.edu/facilities/commons/directions.html>  
Parking available across the street on the Main Street VCU Parking Garage (\$5.00)  
**CONTACT:** seeevaric@gmail.com

### SPECIAL GUEST SPEAKERS

#### **Dr. Fred Singer, Atmospheric Physicist and Founder of the SEPP & VA-SEEE**

Dr. Singer is one of the lead authors of "Climate Change Reconsidered," a report of the Non-governmental International Panel on Climate Change (NIPCC), which provides an analysis of the climate data used by the UN-sponsored International Panel on Climate Change (IPCC). He will discuss the latest climate research and how it casts doubt on the theory of anthropomorphic global warming (AGW), problems with the climate models, and new thinking on Climategate and the Hockey-stick graph.

#### **Mr. Kenneth A. Haapala, Executive Vice President SEPP**

Mr. Haapala will take a look at energy and environment issues from a political, judicial and economic perspective including: recent accomplishments in the US Congress; energy production and Washington's war on coal, oil and gas; the feasibility of wind and solar projects; the status of litigation against the EPA; and more!

#### **Dr. Charles Battig, President - Piedmont Chapter VA-SEEE**

Dr. Battig will present an account of how he was able to convince Albemarle County to drop their ICLEI membership, and to rescind their 'Cool Counties' resolution.

### ABOUT US

SEEE-VA is a grassroots organization of Virginia's scientists and engineers aimed at educating the public on the issues of climate, energy and environment and promoting rational policy based on science.
